

Blue Grass Sportsmen's League

Policy for League-owned Firearms

- A.** All firearms purchased by or donated to BGS� are to be recorded on a Firearms Record form concurrent with the date of acquisition. Such Firearms Record forms are to be maintained permanently or until such time as the subject firearm is legally disposed of. If the subject firearm is donated to BGS�, the donor shall be furnished with a copy of the Firearms Record at the time of donation.
- B.** The Security Committee (to include at least three members) shall inventory all BGS� owned firearms on a random basis once each fiscal year and the Chairman of the Security Committee or his/her appointed deputy shall report the results of such inventory, in writing, to the President of BGS�. The aforementioned report may be verified by viewing the Firearm Record forms. Those forms are to note the location of all BGS� owned firearms found to be located on our property along with as much detail as possible about any BGS� owned firearms which were not on our property at the time the inventory was conducted.
- C.** A secured copy of the Firearms Record forms shall be retained by and updated by the incumbent Chairman of the Security Committee. Upon any succession in the chairing of the Security Committee, the outgoing chairman shall hand over said secured copy to the incoming chairman in a period of time deemed appropriate by the Security Committee. The Records are to be maintained in the BGS� office.
- D.** Firearms will be signed out if removed from the property and logged in upon return.
- E.** Inventory will be done in September by incoming and outgoing Security Chair, or upon change of Committee Chair. Inventory may be done randomly done during the Fiscal Year.
