BGSL Military Service Policy

It will be the standing policy of the Blue Grass Sportsmen's League to support our U.S. Military Troops while deployed on active duty away from their homes in central Kentucky. This policy will cover all branches of the military to include National Guard and all Reserve personnel whether deployed overseas or on garrison mission's here in America outside of the state of Kentucky. Training missions are not a part of this Policy.

Membership Dues will be frozen the month of departure and resume the month when they change station back home. Membership for those family members left at home will continue uninterrupted during the deployment.

Affected members need only to present a copy of deployment orders to the BGSL Bookkeeper prior to their movement and Dues will be frozen for the period of service. Then present the orders for return and the time period will be added to the existing membership term. Leave and Liberty time will not affect the time period. All member, deployment and movement information will be kept sealed and protected at all times. If deployment information cannot be provided, an official letter will need to be sent on the members' behalf to start the process and the period will be worked out upon return.
