

December at BGSL

This month will find us all spending more time at home with close friends and family, but we don't have to quit doing other things we love, either. Bring your friends and family out to the Blue Grass Sportsmen's League and shoot a match or practice your skills, enjoy the late fall and winter scenery, and play with any toys you or the kids might find under the Christmas Tree.

General Membership Meeting

The monthly BGSL General Membership Meeting is on Tuesday, December 3, in the BGSL clubhouse at 7pm. Get an update on the club, share your feedback, and enjoy food and fellowship with other BGSL members.

BGSL Gift Certificates Now Available

The Holidays are coming, so Gift Certificates are now available for BGSL Membership (new or renewal). You can also purchase a gift certificate for Clay Target Shooting at our Shotgun Range. Call the office today at 859-858-4060 for more details.

Cut Your Own Yule Logs (or Firewood)

BGSL members can cut and haul away all the firewood they want for their own use at home with no fee and minimal paperwork. Call the office for details.

Events Schedule
