

BGSL in May 2020

May is starting off with a little more hope and reason for optimism than April concerning the coronavirus outbreak, but that situation isn't over yet as far as its effects on the Blue Grass Sportsmen's League. While the club remains open for use of ranges and other outdoor attractions (following all the guidelines regarding distancing, not gathering, etc.), it is still not clear when all divisions will be able to hold regular matches in accordance with the relevant guidance. At this time, there are no matches scheduled through the 10th of May, and some matches after that date have already been cancelled or are tentative at best. When the situation changes, the membership will be updated via another BLAST.

Meanwhile, please continue to enjoy your club responsibly, and thank you all for your cooperation and patience in following the guidelines in place -- you been a major factor in keeping the club safe and open!

May Membership Meeting Cancelled

The General Membership Meeting for May has been cancelled in accordance with the state and federal guidelines regarding the coronavirus. As before, we will pick up any business where we left off in March when we can safely hold a General Membership Meeting.

ATA Match Cancelled

The American Trap Association (ATA) match that was tentatively scheduled at Shotgun for the 2nd and 3rd of May has been cancelled.

May USPSA and Steel Challenge Cancelled

Pistol has cancelled the USPSA monthly match scheduled for May 3 and the Steel Challenge Match scheduled for the 9th.

The Kentucky Open Casting Tournament scheduled for the 17th of May has been cancelled.

GP Range Hours (GP, Adv. Rifle and Pits)

With longer daylight hours now, the GP Range, Rifle Range and Pistol Pits will be open until 8PM daily. State and Federal guidelines regarding the coronavirus are still in effect, and the hours are still somewhat modified (compared to pre-coronavirus hours) to accommodate staffing considerations during this time.

Hours in effect May 2, 2020, are:

Monday-Friday 10AM-8PM

Saturday-Sunday 9AM-8PM

You must sign in to GP during these hours to use any of these ranges. If GP is not open, you can not use any of these ranges.

Camping, Fishing and Hiking

Camping opportunities are still available at BGSL. The "new" pond is still holding water after repairs and will be stocked again soon! Hiking trails are still open for your use. Call the office at 859-858-4060 for details on any of these activities.
