Bill (Doc) Blackburn, Mike Kass, Aaron Brulc
Quorum was Present, Attendance 22

Minutes:

Motion by: Tom Griswold, 2nd by Joel McClintock to dispense with the reading of the minutes

Motion: Carries

Financial Report: Presented by Ron Summers

August still open with a few items that need to be reviewed. This year's budget has been posted which will show \$38,000 rolled over from last FY for road repair. Financial reports are posted on display for all members to review.

Update given by Ben Riffell

- Less water in the pond with the dry weather this summer
- Burn band is in effect throughout the county.
- Pistol had a match last week that had 80-100 participants
- BGSL hosted the annual 4-H Event with approx. 1000 kids

Tim McCullar gave an update as well

- Paypal account is up and running
- Budget was approved by BOD. BGSL is losing 2% of members a year, and that means we lose \$6,000 a year in membership fees.
- Email Blast scheduled to be sent out monthly

Membership was discussed among the members.

Burton Wright spoke on behalf of most recent email blast

There were 2% or 29 responses received from the email blast. Most of the feedback was positive, some negative, but mostly positive.

Most common request was a longer rifle range. Also requested that Pit closures be posted at GP. And members would like for trails to be maintained.

KY High School State Trap Fall League: 8 of the top 10 were from Jessamine County High Schools and practice at BGSL Shotgun Trap Field.

Motion by: Joel McClintock, 2nd by Tom Griswold for meeting to adjourn

Motion: Carries

Meeting Adjourned : 7:55 PM
