

BGSL in October 2020

The leaves are turning and even falling in earnest now at the Blue Grass Sportsmen's League, and October will likely be one of the best months yet for pleasant temperatures without the worry of extremes either hot or cold. To say we've been tricked several times by a rough year so far would be an understatement, in particular with the coronavirus situation, but members have been quite adaptable and will continue to deal with the situation and whatever else comes up safely and still have a good time outdoors. So, treat yourself to some good weather and good times with friends at your club!

General Membership Meeting

The September General Membership Meeting will be held on Tuesday, October 6, at 7PM. We will be following current coronavirus related guidelines as far as spacing, capacity, etc.. Food will be provided in a manner that is consistent with the current safety guidelines. Come on down to your clubhouse, catch up on club business, fellowship with other members and share a meal.

Win an Annual Membership

Also at the General Membership Meeting, the Membership Committee will be raffling off a fully paid annual membership to the members present. Prize donated by the Casting Division.

Other Items of Interest

Safety Precautions During Hunting Season

During Hunting Season, remember to check the map of hunter check ins in the entry hall of the clubhouse before going any place other than the division main areas, ranges and pits. If a hunter is present in the area you intend to go, select another area. If the area of the map is clear, it is safe for you to proceed, but you should place a marker with your contact information and activity on the board and remove it before leaving the club.

New Member Orientations

There are meeting times on the calendar for Orientations, but in order to keep the group sizes low, additional orientation meetings may be needed. New members should arrange for a meeting time directly with the office (859-858-4060) rather than simply coming to one of the pre-scheduled meeting times.

Pit Pass Qualifier

One of these at a minimum will be offered this month, but like the orientations, they must be organized to limit numbers, so let Ben Riffell (858-4060) know that you are interested, and he can notify you when the qualifier is available.

2020 Hunter Orientations

The Hunter Orientations are mandatory if you plan on hunting at BGSL. Please call the office at 859-858-4060 to reserve a spot at one of the meeting before attending, so that we can keep the group sizes small. These are held in the Youth Lodge, and there are only 3 left this year:

- Saturday, October 3rd @ 10:00 AM
- Wednesday, October 14th @ 7:00 PM
- Saturday, November 7th @ 10:00 AM

If you think that you may want to hunt this year, call the office (859.858.4060) and request an electronic copy of the current club rules to be emailed to you for review, or download and view a PDF copy of the hunting rules [here](#).
