

## BGSL Youth Activities in June

Director at Large and new Chairman of the [Youth Committee](#) Nelson Bottoms has a great deal of prior experience in the 4H Archery program and in the outdoors in general, and he intends to take his talents and enthusiasm and combine them with those of others from the various divisions to provide a variety of youth activities for BGSL youth members and their parents. Since all BGSL memberships are family memberships, parents can use this opportunity to get their youth involved in new activities at BGSL and spend time with them doing it.

Please give Nelson your support and let him know what your youth are interested in by filling out the form on the [Youth Committee page](#), and ask him specific questions or sign up for June's upcoming activities by emailing him at [youth@bgslinc.com](mailto:youth@bgslinc.com).

Two activities are planned for June:

### ***Archery***

***Saturday, June 19th. 5-8pm***

*This event will be held at the Delabar Youth Lodge, which is shared between Archery Division and Youth Committee.*

### ***Fishing***

***Saturday, June 26th. 10am to 1 pm\****

*\*If possible youth (and adults) should bring their own fishing gear. State fishing regulations are followed, so participants need a fishing license if required by regulations, e.g. if they are older than 15.*

## Other Youth-related News at BGSL

### Jessamine County Team Wins Kentucky State High School Trap Championship

On Saturday, June 12, at Berea, The Jessamine County High School Trap Team won the Kentucky State High School Trap Championship. Also, Jessamine County Shooters and BGSL family members, Hannah I. and Jacob S. won the High Overall Female and High Overall Male positions at the state match, Hannah with a 98 and Jacob with a 100. Please congratulate the team and its coaches for this success. The Jessamine County High School Trap Team practices at BGSL Shotgun weekly during the school year, alongside the Lexington Catholic Trap Team with whom there is a [friendly rivalry](#) -- inasmuch as Catholic is coached by BGSL's own Dr. Charlie Becknell. There are other schools either committed to or interested in practicing at BGSL and competing next year, as well.
