Cowgirl Action and Coed Intermediate Shooting Classes

Natalie Bohon and Ron Summers have set up a lady's introduction to Cowboy Action Shooting. This class will introduce you to the proper handling and use of Single Action Firearms (Pistols, Rifles and Double Barreled Shotguns). Single Action Firearms will be furnished for this class. This class is also an introduction to [Cowboy/Cowgirl Action Shooting](#), aka SASS. You will learn how an SASS match is conducted, the basic match rules, and participate in an actual match stage. The prerequisite for this class is a core understanding of basic firearm fundamentals. This class is not for the absolute beginner. Each participant will use all three firearms listed above. You will draw from two holsters (strong and weak side) and engage multiple targets with multiple firearms. There will be minimal movement. For those interested in competitive shooting, this is the opportunity to learn basic SASS rules, see the equipment necessary for SASS and actively participate in an SASS match stage. Treat your inner Cowgirl to a shootout! Sign up at: <https://www.signupgenius.com/go/30e0d49afaa2ea5fe3-ladies>

Natalie is also offering a co-ed intermediate pistol class for those interested in taking their skills to the next level. This class is not for the new shooter, basic handgun fundamentals are a prerequisite for the class. The intermediate pistol class is the opportunity to introduce multiple target engagement, movement, shooting around barriers, and drawing from the holster. This is the perfect class to go beyond CCDW and serves also as an introduction into the world of competitive shooting. The classes are offered on the evenings of July 21st and 28th: <https://www.signupgenius.com/go/30E0D49AFAA2EA5FE3-intermediate1>
