

BGSL in December 2021

This month will find us all spending more time with close friends and family, but we don't have to stay inside to do that. Bring your friends and family out to the Blue Grass Sportsmen's League and shoot a match or practice your skills, make new friends or catch up with old friends at your club, and play with any interesting new toys you or the kids might find under the Christmas Tree!

General Membership Meeting

The next General Membership Meeting will be held on Tuesday, December 7, at 7PM. Come on down to your clubhouse, catch up on club business, and fellowship over a meal with your fellow club members.

Check Calendar for 300 Yard Rifle Range Regularly

The Restrictions on Pit 4 have been lifted, and it is returned to normal use. **At this time, the 300 Yard Rifle Range is open to both centerfire and rimfire shooters under the Revised 300 Yard Rifle Range Policy on Thursdays and Saturdays.** We will continue to publish the schedule for the rifle range one week at a time on the [BGSL Website Events Calendar](#), so please get into the habit of checking the calendar regularly if you want to use this range and are properly certified. Meanwhile, GP is open as always, including the use of centerfires.

Firewood Free for the Cutting to Members

Members can cut all the firewood they want for their personal use. You will need to sign a waiver and work in the areas indicated by the office, but there is no fee. Contact the Office at 849-858-4060.

New Member Orientations

There are meeting times on the calendar for Orientations, but in order to keep the group sizes low, additional orientation meetings may be needed. New members should arrange for a meeting time directly with the office (859-858-4060) rather than simply coming to one of the pre-scheduled meeting times.

Pit Pass Qualifier

One of these at a minimum will be offered every month, typically on the 3rd Saturday of each

month. Like the new member orientations, the qualifiers must be organized to limit numbers, so let Ben Riffell know that you are interested by contacting him or leaving a message for him at the office at 859-858-4060, and he can notify you when a space in the qualifier is available.
