

## BGSL in February 2022

February at the Blue Grass Sportsmen's League is typically the last full month of winter constraints on matches and outdoor activities. There are, however, always exceptions, both to the weather and what people find, if not comfortable, then at least tolerable, so many matches big and small will take place, and there will likely be fairly pleasant days interspersed with the nasty ones, so that members can take advantage of the ranges and other outdoor activities with relative comfort and safety. Make up your own mind about what you find pleasant, keep your eye on the calendar and the weather, and take full advantage of your club during the fastest month of the year.

## General Membership Meeting

The next General Membership Meeting will be held on Tuesday, February 1, at 7PM. Come on down to your clubhouse, catch up on club business, and fellowship over a meal with your fellow club members.

## Other Items of Interest

### Check Calendar for Rifle Range Regularly

*At this time, the 300 Yard Rifle Range is open to both centerfire and rimfire shooters under the [Revised 300 Yard Rifle Range Policy on Thursdays and Saturdays](#).* We will continue to publish the schedule for these uses one week at a time on the [BGSL Website Events Calendar](#), so please get into the habit of checking the calendar regularly if you want to use the 300 Yard Range and are properly certified. Meanwhile, GP is open every day as always, including the use of centerfires.

### BGSL Training Certified Instructors

[Timothy Johnson](#) continues to focus primarily on the basics of pistol shooting in small group classes, but he is also available for private individual lessons and coaching. Contact him via the button on his instructor profile page linked by his name.

[Natalie Bohon](#): Natalie continues to be available for private or small group lessons. For February, Natalie will offer both women's only indoor classes and a coed class that combines classroom instruction with live fire: [Classes with Natalie in February](#).

### Other Training Opportunities at BGSL

[Frontier Defense](#) will soon be offering some of their classes at BGSL. [Frontier Defense class listings \(incl. BGSL\) and sign-ups](#).

### BGSL Youth Committee

Given the weather, Nelson is interested in a Youth Activity that can be done indoors for February. If you have a skill (such as fly-tying or bow building) that can be taught indoors and are willing to teach (or at least demonstrate) it to a young audience, contact Nelson Bottoms at [youth@bgsllinc.com](mailto:youth@bgsllinc.com). Likewise, if you are interested in getting your youth involved with activities at BGSL, contact Nelson at the address above.

### Firewood Free for the Cutting to Members

Members can cut all the firewood they want for their personal use. You will need to sign a waiver and work in the areas indicated by the office, but there is no fee. Contact the Office at 849-858-4060.

### New Member Orientations

There are meeting times on the calendar for Orientations, but in order to keep the group sizes low, additional orientation meetings may be needed. New members should arrange for a meeting time directly with the office (859-858-4060) rather than simply coming to one of the pre-scheduled meeting times.

### Pit Pass Qualifier

One of these at a minimum will be offered every month, typically on the 3rd Saturday of each month. Like the new member orientations, the qualifiers must be organized to limit numbers, so let Ben Riffell know that you are interested by contacting him or leaving a message for him at the office at 859-858-4060, and he can notify you when a space in the qualifier is available.
