

Changes to 300 Yard Rifle Range Schedule

Based on members' feedback and to better accommodate observed usage patterns of the 300 Yard Rifle Range while keeping within current staffing levels, the operating schedule for the 300 Yard Range under the [Revised 300 Yard Rifle Range Policy](#) (centerfire allowed) will change starting on February 22 to comprise 4 half-days rather than two full days each week. The typical schedule is currently expected to be **afternoons Wednesdays through Saturdays each week**.

This week, however, it will be different to allow 4 half days of member use while still accommodating the needs of the [Heartbreak Run & Gun](#) setup and competition on the 25th and 26th:

- Tuesday, February 22: 1PM to Close
- Wednesday, February 23: 12PM to Close
- Thursdays, February 24: 12PM to 4:30PM
- Sunday, February 27: 1PM to Close

As always, keep an eye on the [BGSL Events Calendar](#) for modifications and updates.

2022 Heartbreak Run&Gun

As mentioned above, the [2022 Heartbreak Run & Gun](#) will be taking place on the 25th and 26th. It is a big event, and there will be some activity visible from it over much of the club, so come down and watch the festivities if you are interested but not up to participating in such an event yourself.
