

2022 Kentucky USPSA Section Championship

June 17-19

The Blue Grass Sportsmen's League and the Bluegrass Pistol Club ([BGSL Pistol Division](#)) are proud to announce the third annual Kentucky USPSA Section Championship. This is a major match (up to 250 shooters) that grew out of the combination of the Section Low Cap and High Cap Matches forced by the covid19 pandemic response in 2020. Lafe Kunkel returns for the third time as the Match Director for this

match. The match book can be viewed [here](#), and there may still be openings to sign up for the match on [Practiscore](#). Members who are interested are invited to view the match as spectators, provided that they do so respectfully and wear eye and ear protection. If you are interested in watching the match or helping during setup or takedown, please let Lafe know via uspsa@bgsilinc.com

Members who are not shooting in the match or helping set up or run it can still support this effort by exercising patience and understanding with any changes to their routine during the setup, competition, and tear-down. Setup will begin Saturday, June 11, in **Pits 1,3,4&Pit 2 Bay 1**, which will remain closed until the end of the match and tear-down on the 19th. **Pit 2 Bays 2&3 will remain open for pit pass holders through Tuesday, June 14**, then will be closed through the rest of setup, competition, and tear down with the rest of the pits. **Competition will occur on the 17th through the 19th**. As always, the [BGSL Website Events Calendar](#) will be updated with any changes or additions, so keep an eye on it during the time before, during and after this big match.

2022 Kentucky USPSA Section Championship Sponsors

There are a lot of really great sponsors for this match, and you can show your appreciation for their help by supporting them with your business. Clicking on the picture below will take you to a set of graphics linked to each sponsor -- check them out, and you may find something you need.
