

BGSL in June 2022

As spring turns into summer, June finds outdoor activities of all sorts in full swing at the Blue Grass Sportsman's League -- from big matches, along with the regular monthly favorites of course, to "less active" but no less worthwhile activities like fishing, camping, and hiking. No matter what you like to do outside, your club is almost certainly the ideal place to do it, so take advantage of it and spend time with some old friends or make some new ones.

BGSL General Membership Meeting

The next General Membership Meeting will be held on Tuesday, June 7, at 7PM. Come on down to your clubhouse, catch up on club business, and fellowship over a meal with your fellow club members. If you are interested in your club, don't miss this monthly opportunity to express your views and ask questions.

Fiocchi Ammo Order Cancelled; Refunds will come soon

The BOD voted on May 31 to cancel the Fiocchi ammunition order, and refunds are going out now. If you still have an outstanding order, please give the office a couple of weeks to get all the refunds out and delivered to you, but if you have not received or been notified of your refund within a couple of weeks, call the office at 859-858-4060.

Dove Field Planted for Member Use; Small Game Permit and Hunter Orientation Required

A five acre dove field has been planted, fertilized, sprayed, and is progressing well on schedule for September hunting. This field will be available for dove hunting to BGSL members only when the season opens. A BGSL small game permit (\$100) and hunter orientation will be required prior to participating, but there will be no additional charge for dove hunting beyond that. ***Spaces will be limited each day, but if there is space available, a member will be able to hunt more than one day with no extra fee.*** Further details of the administration of this hunt are being worked out and will be provided to the membership when available.

Check Calendar for Rifle Range Regularly

At this time, the 300 Yard Rifle Range is scheduled to be open to both centerfire and rimfire shooters under the [Revised 300 Yard Rifle Range Policy in the afternoon Wednesdays through Saturdays, with longer hours now that DST is in effect.](#) We will continue to publish the schedule for these uses one week at a time on the [BGSL Website Events Calendar](#), so please get into the habit of checking the calendar regularly if you want to use the 300 Yard Range and are properly certified. Meanwhile, GP is open all day every day as always, including the use of centerfires.

BGSL Training Certified Instructors

Brian King of [PRS Training Solutions](#) is BGSL's most recently certified member instructor, and he is going to offer a wide range of opportunities to train in pistol, rifle and shotgun. For those who have missed the Carbine Skills classes, Brian is bringing them back to BGSL, starting with an [Introductory Carbine Skills](#) class on June 4. Brian will also offer an ***NRA Basics of Pistol Shooting*** class over two evenings on June 20-21. Contact Brian at prstrainingsolutions@gmail.com. Brian's Instructor page on the BGSL website will be completed soon.

[Natalie Bohon](#): Natalie continues to be available for private or small group lessons. Natalie will also offer several group classes in June, now including [USCCA Defensive Shooting Fundamentals](#). [View the current list of classes with Natalie for June here.](#)

[Timothy Johnson](#) focuses primarily on the basics of pistol shooting in small group classes, but he is also available for private individual lessons and coaching. Contact him via the button on his instructor profile page (linked by his name).

youth involved with the outdoor sports at BGSJ. Also, Nelson is working on a private Facebook group for interested parents -- get in touch with him for more details.

[Camping at BGSJ](#)

With the warmer weather, camping at BGSJ becomes an even more attractive option. In general, BGSJ offers primitive campsites, campsites with full RV hookups, and campsites with limited power and water. Call the BGSJ Office at 859-858-4060 to reserve a spot.

Help Us Make BGSJ Even Better for You

Everyone hates surveys, but if you have been a member for a year or more by completing [this very short \(2 minutes, estimated\), anonymous survey](#) once every year, you will let the leadership of the club know what your priorities and interests are and how to help you and your fellow members get the most out of your memberships. Let us know how you feel about BGSJ and what you have been doing at your club.

New Member Orientations

There are meeting times on the calendar for Orientations, but in order to keep the group sizes low, additional orientation meetings may be needed. New members should arrange for a meeting time directly with the office (859-858-4060) rather than simply coming to one of the pre-scheduled meeting times.

Pit Pass Qualifier

One of these at a minimum will be offered every month, typically on the 3rd Saturday of each month. Like the new member orientations, the qualifiers must be organized to limit numbers, so let Ben Riffell know that you are interested by contacting him or leaving a message for him at the office at 859-858-4060, and he can notify you when a space in the qualifier is available.
