Youth Fishing Event Update

The time and date for the Youth Fishing Event have been changed due to unavoidable changes in the organizers' work schedules. It was previously scheduled for Saturday, July 9, 9am-12pm as announced in the July Happenings BLAST.

New Time and Date: Friday, July 8, 5pm-8pm

The event will start at the fishing pond. Everyone should bring their own fishing pole if they have one, but we will have a couple of extras for those who don't have their own. Bait and Raffle prizes will be provided by [B&B Bait & Tackle](#). All state guidelines apply. Children over 12 need a youth fishing license. Catch and release only. We will have a hot dog roast afterwards. Contact Nelson Bottoms by calling or texting him at **(859) 410-5111** or email him at youth@bgsline.com to sign up.
