

Updates to August Happenings BLAST

Below are some updates received after the August 1 BLAST was sent:

1. Update: There will be an **IDPA Evening Match** on Wednesday, August 17. Setup starts at 3pm and the match starts at 6pm. [Registration on Practiscore.](#)
 2. Update: The **Youth Activity** planned for August is **Rimfire Rifle** on Saturday, August 27, 11am-1pm at the Advanced Rifle Range. A reminder and more details will be provided in a BLAST later this month, but contact Nelson Bottoms at youth@bgslinc.com now if you are interested in the event.
 3. Update: It should be noted that the [Intermediate Carbine Skills Drills class](#) for August is not simply a repeat of the Skills Drills class in July. In fact each **Intermediate Carbine Skills Drills Class** will be different and allow you to explore different skills. Signup with the link above or [contact the instructor](#), Brian King, if you have questions.
 4. Update: The **Casting Division** has provided a rack of **fishing poles with plugs appropriate for use in the casting ponds**. The poles are near the casting shed and the targets are out on the ponds. Members and, especially, their children are encouraged to try their hand at casting accurately. Contact casting@bgslinc.com if you have any questions.
 5. Correction: In the section **BGSL Dues Effective August 7, 2022**, "The rates for 2021-2022 are:" should be corrected to "The rates for 2022-2023 are:". It is hoped that the error was obvious in context, but the correction is offered in case the mistake caused anyone confusion.
 6. Clarification: The **Pistol Grip** referred to in the discussion of **Tactical Shotguns** is not the pistol grip which is present on all sporting style shotguns that do not have straight stocks. Instead, in this context, it refers to the straighter, more pronounced pistol grip as found on tactical rifles, both at the wrist of the buttstock and sometimes on the forend as well.
