One More Reminder: Pistol Pit Cleanup April 1

The annual Pistol Cleanup Day is Saturday, April 1, starting at 8am. The main focus is tearing down old walls, picking up debris, cutting up old barrels, and generally straightening up the pits. We would like a group of 5-6 people in each pit (1, 2, 3 & 4). Please bring your drills and drivers with Philips head and Torx T-25 heads, Sawzall,

hammers, chainsaw, and any other hand tools you think would be useful. Thanks for your help! We look forward to a good turnout to help get things done.
