

Election Results

The Elections were held Tuesday, September 5th, and the results are

- President: Walter Miller (newly elected)
- Secretary: Burton Wright (returning)
- Treasurer: Ron Summers (returning)
- Directors at Large: Aaron Brulc, Fred Foster, Tim Foley (all returning)

Please congratulate and welcome back Walter Miller as president -- for the few who do not know, he was already the longest serving president in BGSL history, serving for eight consecutive years. While a repeat performance in terms of years in office might be a bit much to ask of him, we look forward to benefiting once again from his experience and leadership.

Also, don't neglect to congratulate the returning treasurer and directors at large and thank them for their past, present, and future service to your club.

Finally, Lafe Kunkel chose not to run for re-election for president in order to focus more on other important things in his life, but he will continue to serve on the BOD as past president. As president, Lafe led the club successfully through an extremely critical two years. Please thank him for his service as president and congratulate him on a job well done.

terms of the settlement were agreed to by both parties, and that we are satisfied with the outcome, and that no BGSL funds were spent in the settlement.
