

Guest Pass Details and Related Member Benefits

As announced in the June Happenings BLAST, the BGSL Guest Pass Fee for members increases to \$25 per guest per day on July 1, 2024. Guest Passes at the new rate may be purchased and used on the day of purchase at GP as before. The guest pass fee applies only to the use of ranges and fishing: Members may bring guests to show them our facilities, have a picnic, hike, etc., without purchasing a guest pass.

There are, in addition, two new member benefits in conjunction with the fee increase:

1) Beginning July 1, we will start sending two complimentary guest passes to primary members with their membership card each year (e.g., at time of renewal for current members and after orientation is complete for new members). *These non-transferable passes will be annotated with the primary member's name, ID number, and a "use by date" corresponding to the date of the member's next annual renewal date. Each may be used at GP by the designated member for one guest for one day without charge any time before the use by date.*

2) Also from July 1 forward, members may purchase up to two guest passes per calendar year (e.g. 2024) at a reduced rate of \$12.50 (half price) payable by cash or check each. *These reduced rate guest passes must be purchased and/or picked up either in the BGSL Office during normal business hours or at General Membership meetings (the 1st Tuesday of each month at 7pm). Members may also purchase these passes by phone (with an additional 3% convenience fee if using a credit card) calling the office at 859-858-4060, but the cards must be picked up in the office during normal business hours or at a General Membership Meeting. These non-transferable passes will be annotated with the primary member's name, ID number, and a "use by date" of one year from purchase. Each may be used at GP by the purchasing member for one*

guest for one day any time before the use by date.

It is hoped that these additional related benefits will serve most members' needs for guest passes at an economical price -- \$25 for four guest passes a year when combining free and reduced rate passes, thus encouraging more members to bring guests (especially potential new members) with them more often.
