Farm/Operations Report: by Ben Riffell

- The club had an insurance audit. We got a notification that we needed to perform some tasks to maintain coverage. The agent filed for a 3-week extension on our behalf.
- Ground in the grain lease has been planted, sprayed, and the club did receive a check for ½ the yearly total of \$1,540.
- The dove field is terrible this year. After the chemical application washed out pre-emergent and the wet weather prevented an overspray of sunflowers with BEYOND until the plants grew beyond the application window.
- The annual 4-H shoot is scheduled for Sept 12th – 13th of this year.
- Gun Dog has had a new roof installed. They have also begun construction on a pheasant tower.
